

Team Name - Group 5

Sprint Name - Sprint 1

Answer the first three questions before moving on to your action items. There should be at least one item per the first three questions with a minimum of four items total, so at least one question will have more than one answer. In addition to an answer, list which team member contributed that answer. Once complete, move on to your action items, which you should write as a team. Come up with at least two action items.

What went well?

Getting the schema and ERD went well, we kept our documentation correctly.

What could have gone better?

Getting the CSS of the frontend done is taking a long time.

What did we learn?

We should split complex tasks between multiple team members.

What are our action items?

Doing the CSS.
