

Team Name - Group 5

Sprint Name - Sprint 1

Stand Up Date - 04/09/2023

Copy the following block for every member of the team. If a team member is absent, list them down as absent. If the team member has a valid reason for the absence, like an illness, they should contact the TAs and/or instructor so they do not lose points for this stand up.

Update for Ben

1. What have I accomplished - Finding an overall good mesh and theme, ensuring it fits with the established overall theme and what is being made.
2. What will I accomplish - Giving an impression of what the site would look like if given UI elements to ensure easy accessibility.
3. What blockers do I have - draw.io is difficult to work with.

Update for Ronnie

4. What have I accomplished - Getting a good portion of the HTML done, getting some CSS done. Even though it has not been uploaded to github yet.
5. What will I accomplish - Getting a large portion of the front end done so we can do our backend coding and start setting up the SQL server.
6. What blockers do I have - CSS is not fun.

Update for Walker

7. What have I accomplished - Completed file hierarchy and began the backend coding.
8. What will I accomplish - Completing the backend coding.
9. What blockers do I have - My job, other classes, my family.

Blockers

After everyone gives updates, discuss and write down what your team will do to alleviate any blockers that came up in the meeting.

Ben: Maneuverability within draw.io.

Ronnie: Better time management.

Walker: Make a commitment to the process
